THE MARITIME WORLD **TOGETHER, TODAY, TOMORROW**

Europort is the exhibition and meeting place where the international maritime industry gets together to connect, cooperate and innovate. Only together, we can face the changes of today in our sector and turn them into chances for tomorrow. Now, 80 years in the process, the need to meet face-to-face may be stronger than ever. In this digital era, personal encounters are indispensable to our industry.

PARTNERSHIP & FRIENDSHIP

Europort 2021 goes beyond just another network opportunity. At Europort we facilitate an inspiring environment for you to engage with industry peers in several sectors and create new business opportunities.

With over 26,000 visitors and 1,000 exhibiting companies, you will meet the right people from all over the world in a new state-of-the-art environment, where we ensure everybody's health and safety is our top priority.

WELCOME TO ROTTERDAM, HOST OF EUROPORT

Rotterdam, the Maritime Capital of Europe and home of Europe's biggest port, is a fun city with a dynamic vibe. Located in the heart of the vibrant maritime ecosystem of the North Sea area, it is one of the world's leading maritime and offshore hotspots. With its unique 'can do' attitude, entrepreneurial spirit and rich culture, the city has transformed into one of the must-visit cities of Europe.

INTERNATIONAL DELEGATIONS

Apart from individual companies, many organised groups find their way to Europort. Whether or not headed by political officials, these groups have a special place in our heart. That is why we can offer special VIP-packages for international delegations including assistance for site visit programmes. For more information, please contact the Europort project team via: info@europort.nl.
